## PLEASE READ BEFORE ORDERING

Only top quality rhizomes are shipped. Of course some varieties never make a large rhizome as Wm. Mohr, Pink Cameo and the low growers. We fertilize with bone-meal only and cultivate freely.

**Postage or Express** is prepaid on all orders of \$2.00 or more unless otherwise stated. On orders of less than \$2.00 you must enclose 25 cents additional to help pay postage and packing. Orders of less than \$1.00 not accepted.

**Terms** cash with order please. You may make remittance by check, money or express order. Do not enclose cash unless letter is registered. No. C. O. D. sent.

**Visitors** are welcome any day including Sunday from 8:00 a.m. until 8:00 p.m. Orders may be placed any time upon 25 per cent deposit. Minimum deposit \$1.00. Balance due when plants are ready for delivery.

**Greenhouse** hours are 8:00 a.m. until 5:30 p.m. Closed Sundays.

Late in the season it is preferable that you express a second choice as some varieties sell out early and we do not substitute without your permission.

We have added a great many of the newer and better Iris to our list and to condense the catalogue have placed a lot of the older favorites in the rear of the catalogue.

**Cultural Directions** will be enclosed with each order.

**Time of Shipment** is from July 5th until late fall.

### OHIO CUSTOMERS MUST ENCLOSE 3% SALES TAX

On all orders of \$10.00 or more you may choose 20% additional Iris free of charge.

**Abbreviations**—L., Late; M., Midseason; E., Early.
